RESPONSE TO ELECTION REQUIREMENT

Dear Sir:

This is responsive to the office action dated 12 March 2002 ("Office Action"), which set a shortened thirty (30) day response period.

REMARKS

Reconsideration of the captioned application is respectfully requested.

The Office Action required election to a single disclosed species. Claims 1 - 72 are pending in the application.

Applicants respectfully elect to prosecute the invention of Group 1 (claims 1 - 36), with traverse.

Applicants respectfully submit that the claims include sufficiently few species such that a search and examination of all of the species at one time would not impose a serious burden. Therefore Applicants respectfully submit that the invention as claimed in claims 1 - 72 may best be examinable in one application.
